

NOW HIRING!

August 2021 - June 2022

College Possible helps students from low-income backgrounds in Omaha and other locations on their path to earning a four-year degree. Driven by results, College Possible has become a leading organization in the field of college access and success.

HIGH SCHOOL COACH

Serve high school students from one of our partner schools in the Omaha area and help them make a strong, informed college decision; advise on the social transition to college.

- + Lead sessions for students on topics like: ACT/SAT registration, the college application process, best fit colleges, financial aid, and scholarship applications.
- + Meet with program staff and peers to plan engaging outreach, communications, and college access curriculum.
- + Document student records within Salesforce database.

COLLEGE COACH

Serve college students as they navigate the milestones and resources essential to graduation and help connect them to campus services, events and opportunities.

- + Help students navigate the college system, provide guidance to find on-campus support, and assist with scholarship and financial aid applications.
- + Meet with program staff and peers to plan engaging outreach, communications, and college success curriculum.
- + Document student records within Salesforce database.

BENEFITS

- Living Allowance • Education Award • Free Health Coverage • Some student loans may be deferred
- Working in a collaborative educational environment • Access to a large network of alumni and networking

REQUIREMENTS

- Bachelor's Degree by August 2021 • Strong Leadership, Academics, and Communication Skills
- Ability to work 40+ hours per week • 10.5 month commitment beginning on August 2021

College Possible partners with AmeriCorps to provide students consistent coaching and support. AmeriCorps, like a domestic Peace Corps, is a national public service program with a goal of helping others and meeting critical needs in the community.

***Applicants from all majors are welcome to apply**
