

College Possible empowers Milwaukee students from limited-income backgrounds on their path to earning a four-year degree.

Driven by results, College Possible has become a leading organization in the field of college access and success.

HIGH SCHOOL COACH

Serve high school scholars from one of our partner schools in the Milwaukee area and help them make a strong, informed college decision; advise on the social transition to college.

- Lead sessions for students on topics like:
 - ACT/SAT registration
 - College application process
 - Financial aid
 - Scholarship applications and more
- Meet with program staff and peers to plan engaging outreach, communications, and college access curriculum.

COLLEGE COACH

Serve college scholars as they navigate the milestones and resources essential to graduation and help connect them to campus services, events & opportunities.

- Help students navigate the college system
- Provide guidance to find on-campus support
- Assist with scholarship and financial aid applications.
- Meet with program staff and peers to plan engaging outreach, communications, and college success curriculum.

BENEFITS

- **Living Allowance** • **Education Award** • **Free Health Coverage** • **Some student loans may be deferred**
- **Working in a collaborative educational environment** • **Access to a large network of alumni and networking**

REQUIREMENTS

- **Bachelor's Degree by August 2021** • **Strong Leadership, Academics, and Communication Skills**
- **Ability to work 40+ hours per week** • **10.5 month commitment beginning on August 2021**

College Possible partners with AmeriCorps to provide students near-peer coaching and support. AmeriCorps, like a domestic Peace Corps, is a national public service program with a goal of helping others and meeting critical needs in the community.

*Applicants from all majors are welcome to apply
