

## AmeriCorps Interview Teaching Video Upload Instructions

1. Sign in to your YouTube account and click the camera icon in the top right corner.
2. A menu will come up with options to "Upload Video" or "Go Live". Select "Upload Video".

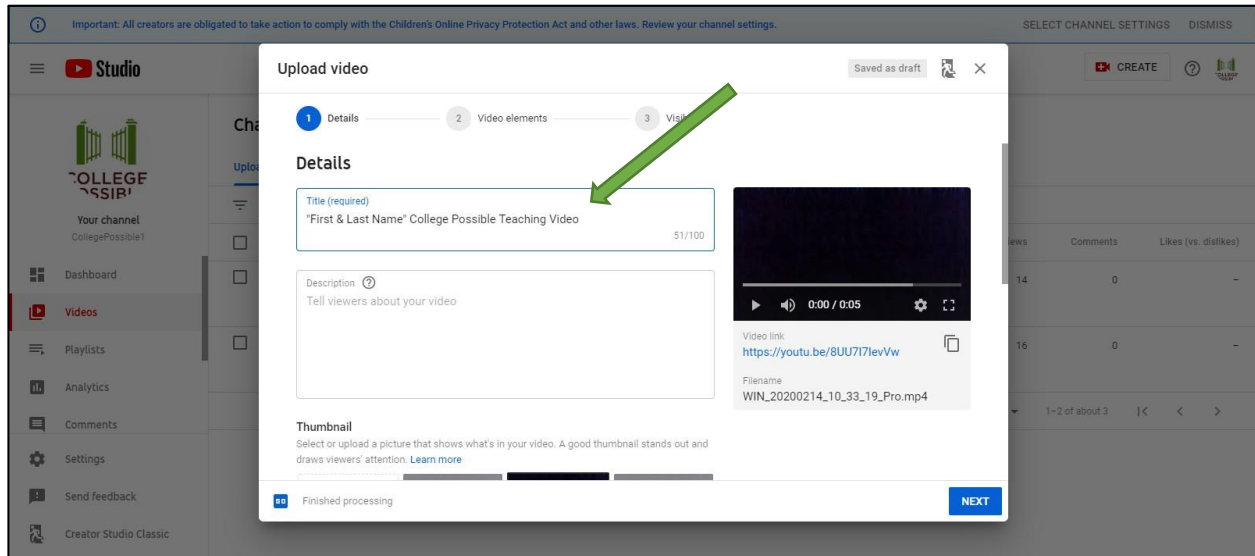

3. YouTube Studio will open. Click the blue "Select File" button. A popup will open to browse your files. Select your video and click "Open."

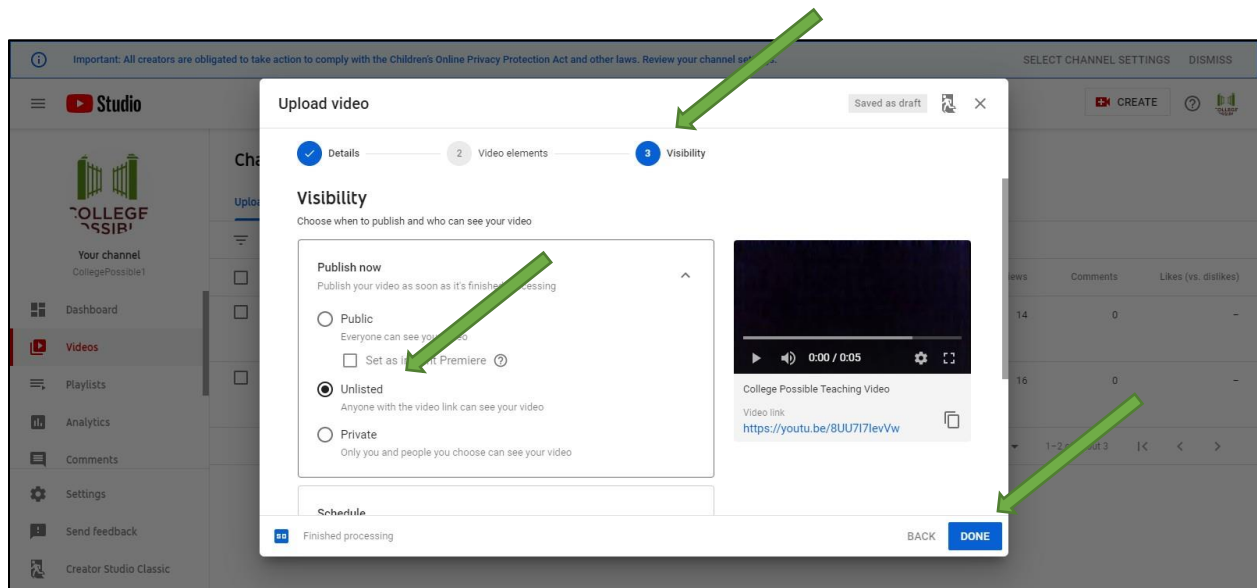

- Once the video has uploaded, you'll see the screen below. Be sure to name your video, "First and Last name - College Possible Teaching Video".

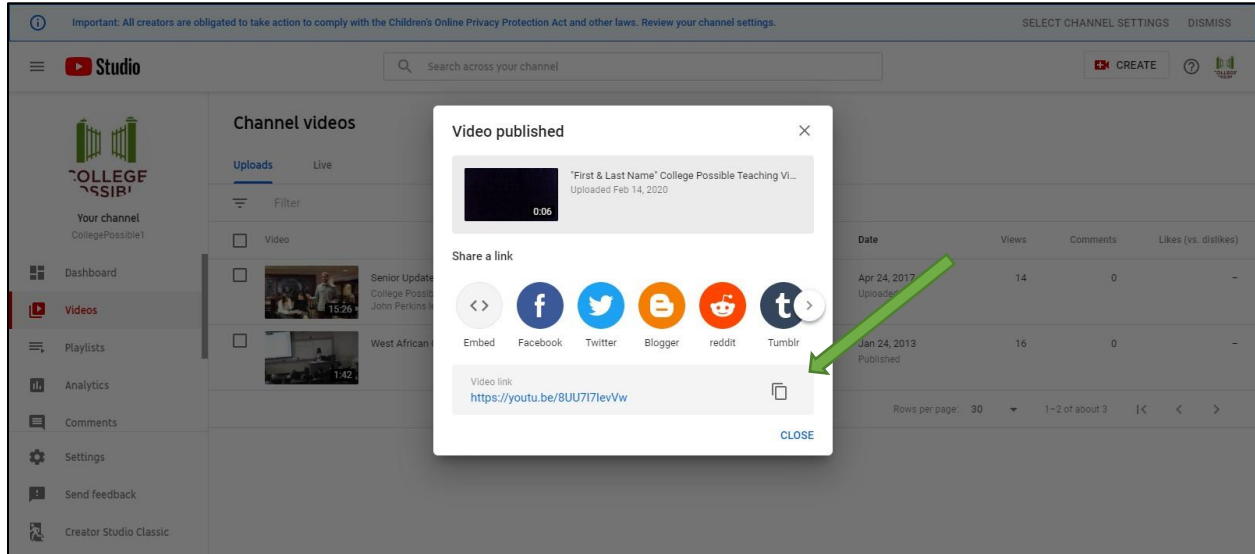

- Click Step 3 "Visibility" to access the Privacy Settings. Choose "Unlisted" to make the link shareable to anyone with the link, but not searchable on YouTube. Next, click the blue "Done" button in the bottom right corner.

- You will receive confirmation that the video has been published. Click the button to copy the link and email it to [collegepossiblerecruitment@gmail.com](mailto:collegepossiblerecruitment@gmail.com).

If you have any questions about these instructions or the teaching video itself, please feel free to email Human Resources at [hr@collegepossible.org](mailto:hr@collegepossible.org). Good luck with your lesson planning and we look forward to seeing your video soon!
