### **About the Dream Big Dinner**

Since 2014, College Possible Milwaukee has hosted the annual Dream Big Dinner as a night of celebration and recognition. Scholars share their experiences and we come together to applaud their accomplishments and learn about their post-graduation plans. We are honored to have partnered with these brilliant students as they realize their dreams.

Join us this year as we honor and recognize individuals close to the College Possible mission and hear the stories of outstanding graduates.

### **About College Possible Milwaukee**

Since its founding in 2008, College Possible Milwaukee has empowered more than 4,000 scholars from under-represented communities to get into and through college through an intensive curriculum of coaching and support. Its pioneering model matches scholars with a near-peer coach and an evidence-based curriculum designed to help scholars overcome the most common barriers to getting into college and completing their degree – all at no cost to students or their families. Nationwide, College Possible scholars are three times more likely to earn a bachelor's degree within six years than their peers from similar backgrounds.
