

# Match, recruit and support College Possible scholars on your campus

Our Connects partner institutions are committed to closing the college degree divide. Each customized partnership is adapted to your institution's goals and regional scholar needs to support the college recruitment, enrollment, persistence and degree completion of College Possible scholars on partner campuses. Connects offers three partnership levels: **Explore**, **Bridge** and **Collaborate**.

## AS AN EXPLORE PARTNER, YOUR INSTITUTION RECEIVES:

- ✓ Contact information of scholars who visited your campus
- ✓ Annual progress report tracking of shared scholars
- ✓ Early access opportunities to high school juniors
- ✓ Direct outreach opportunities to high school seniors
- ✓ Campus visit assistance

## Explore Partners

### **MATCH** College Possible scholars via hosted campus visits

Campus visits play an important role in ensuring a scholar's best-fit college match. As an Explore partner, your institution can gain direct, early recruitment access to College Possible scholars by providing a hosted campus visit. Help scholars explore their college options and find their best college fit.

## Bridge Partners

### **RECRUIT** College Possible scholars via exclusive events

As a Bridge partner, your institution can gain a direct recruitment and enrollment pathway to College Possible scholars. We work closely with partners to bridge scholar goals with partner schools to identify potential candidates, as well as opportunities to meet scholars via exclusive events. Partner schools receive access to a tech-connected college coach designated to support College Possible scholars in their application and enrollment process.

## AS A BRIDGE PARTNER, YOUR INSTITUTION RECEIVES:

- ✓ Contact information for prospective scholars
- ✓ Ongoing collaboration with a dedicated College Possible team member to develop and execute a recruitment and enrollment strategy
- ✓ Access to College Possible scholars and coaches through exclusive events
- ✓ A designated tech-connected college coach to support scholars at your school

# Collaborate Partners

## **SUPPORT** persistence and degree completion of College Possible scholars on your campus

Increasing efforts to ensure the success of scholars from under-invested backgrounds on your campus demonstrates your commitment to closing the college attainment gap. As our most robust Connects partnership, Collaborate partners work closely with College Possible staff to develop a pipeline of prospective scholars, while a designated college coach supports retention of enrolled College Possible scholars using our proven, evidence-based curriculum.

### AS A COLLABORATE PARTNER, YOUR INSTITUTION RECEIVES:

- ✓ A dedicated, full-time campus-based college coach matched to enrolled College Possible scholars
- ✓ Tailored campus events and success programming to optimize existing scholar retention and support services
- ✓ Dedicated support to develop a pipeline of prospective College Possible scholar applicants
